CANCELLATION POLICY AND CONSENT FOR TREATMENT

The therapists at this clinic run their own practices, and receive their sole source of income from the treatments they provide for you. Your appointment time has been reserved especially for you. In courtesy to your therapist, and fellow patients, we require that you provide us with **24 hours notice** of any cancellation, or change of appointment time. In the absence of 24 hours notice, you will be charged the full cost of your treatment, unless we are able to fill your appointment with another client, in which case, you will not be charged. Also, therapists at this clinic are opted out. This means payment for all treatments, whether private or insured, is ultimately the responsibility of the patient.

"I authorize Broadway Wellness and its associated RMTs to collect my personal and medical information as documented above in order to contact me, and give permission for the clinic to leave messages regarding appointments at any of the contact numbers I have provided above. I also understand that my personal and medical information is confidential and will only be disclosed to third parties with my permission. I understand and accept the conditions listed above outlining the Broadway Wellness cancellation policy and I give full consent for treatment".
